

# Wireless

Wireless light

*CONVENIENCE AND CLARITY  
AT YOUR FINGERTIPS*

## Wireless

Cable-free stable lithium batteries ensure a smooth work experience.

## Battery Status Indicator

Built-in battery status indicator flashes when the battery is low.

## Brightness Memory

Automatically adjust to brightness when last powered off to reduce adjustment time and improve work efficiency.

## Touch Control Design and Stepless Dimming

Sensitive touch technology can be used with gloves.

## Super Light

Weigh just 27g (battery, headlight, filter included) and sit on the frame's upper edge for reducing nose bridge pressure.

# Powerful battery

Ensure Uninterrupted Surgical Illumination

## Long-lasting

Sustain maximum brightness for up to 2.5 hours per battery.  
Package comes with two rechargeable batteries.

## Fast

Amazing charging speed can greatly save your time.  
(Single charging for 1.4 hours and double batteries for 2.6 hours.)

## Convenient

Built-in battery status indicator. Magnetic positioning for swift and easy charging.
